

Student – end DingTalk software download instructions:

Students need to fill out a questionnaire in Fudan ehall, report their mobile phone numbers, and then they will receive messages stating activation.

DingTalk activation:

1. If you have downloaded and registered DingTalk, you will receive a message in DingTalk stating that you have joined the organization of Fudan University. The prompt message is as follows:

2. If you have not downloaded and registered DingTalk, you will receive a reminder SMS, as shown below:

【阿里巴巴钉钉】为配合我校2020春季学期教学，请尽快下载钉钉并加入复旦大学组织，方便收发课件。
<https://tb.cn/NstnQMw> 回TD退订

On the mobile phone, you can click the link in the text message to download and register, and you will automatically join the Fudan University organization after registration. As for the rest of the downloading methods, please see the downloading section below.

DingTalk Download:

- Visit the download page of the official website by PC
<https://page.dingtalk.com/wow/dingtalk/act/download?spm=a21312.13146415.7065056597.9.7f1518e6tFlycR> Select the appropriate installation file to download according to the specific operating system.
- The mobile phone supports searching and downloading in the software application market. You can also scan and install the QR code below.

Instructions for downloading student files:

PC terminal: Students receive the file sharing links sent by their teachers, open it in the browser, enter the password, and then they can download the files.

Mobile terminal:

- 1) If you receive file sharing link in DingTalk, you just need to click it to view the file.
- 2) If on other clients (such as WeChat, qq), you need to jump to the DingTalk client to view the shared files.
